

Residential Phone Info.

- Local telephone service is provided at no charge in each residence hall room. Rooms share one telephone line.
- Features include 3-way calling, call waiting, call block, and single-line caller ID.
- You will need to bring your own phone, so we recommend that you bring one with Caller ID display.
- Voicemail is also included, so you do not need to bring an answering machine.
- Millsaps College does not provide long distance to students. Students should bring calling cards or cell phones with nationwide long distance.

Need a cell phone?

There are several wireless providers in the Jackson area; most have stores within just a few miles from the college campus. Please call the vendor for directions or more information.
