M 23 The COOPER MINISTERIAL EFFICIENCY FUND

The Cooper Fund is an undergraduate scholarship fund dedicated to assisting persons called by God into service as Pastors, Directors of Christian education, and Ministers of Music. Cooper Fund scholarships allow these persons to continue their undergraduate education. The Cooper Fund is completely funded by gifts from individual donors and receives no money from the Annual Conference. As a result the amount and number of scholarships are limited to the interest earned through the account with the Mississippi Methodist Foundation, Inc.
