

# HOMECOMING 2002

Millsaps school spirit shone through the rain at Homecoming 2002 as alumni, students, faculty, and staff celebrated the College's tradition of service with the theme "Millsaps and You . . . Making a Difference!" Indeed, Millsaps is making a difference that can be felt from midtown Jackson to the Yucatan. For instance, the College held a canned-food drive in conjunction with Homecoming to benefit the Good Samaritan Center, a nonprofit organization that helps Jackson families in emergency situations. Students could also browse information on social service organizations and volunteer opportunities, displayed over the weekend at the Boyd A. Campbell College Center. Weekend festivities included a 5K Run/Walk, faculty lectures and readings in the Kava House, and a family picnic in the Bowl. Sports, live music, class reunions, and performances by the Millsaps Players rounded out the schedule. In football, DePauw prevailed over the Majors, 28-7.
