## The Program

### Chamber Music Coaching Sessions

Prior to camp, each student will be placed in two ensembles, according to his/her level of performance and study. Students will be sent their ensemble music for study and preparation with their private teachers. During the camp, the faculty will work on this special material with each ensemble and in master classes. Ensembles will also be given time to rehearse on their own and as a group throughout the week.

### Music Theory, History, and Special Topics Classes

Each day two hours will be devoted to providing the students with an essential understanding of music theory and history. These are introductory classes; no prior experience in the subjects is necessary. Special Topics classes will introduce students to other aspects of music making.

### Performance Opportunity

To conclude the week, all student ensembles will present their work in recital, Friday, July 29<sup>th</sup> at 3:00 pm in the Millsaps Academic Complex Recital Hall. All parents, family and friends are invited to attend. There will also be a student solo recital at 12:30 pm on Thursday, July 28<sup>th</sup> where students may present one of their solo pieces in recital for the other campers.

### Faculty Recitals

During the week of camp, members of the faculty will present chamber music recitals at 12:30 pm. Students will be able to observe up close the art of creating music in the chamber setting. These recitals will be held in the Millsaps College Academic Complex Recital Hall, and are open to the public.
